

## Four

Miles Davis

Of the wonderful things that you get out of life there are four  
And they may not be many but nobody needs any more  
Of the many facts making the list of life  
Truth takes the lead  
And to relax knowing the gist of life  
It's truth you need

Then the second is honor and happiness makes number three  
When you put them together you know what the last one must be  
Baby so truth, honor and happiness  
And one thing more  
Meaning only wonderful, wonderful love that'll make four

Of the wonderful things that you get out of life there are four  
  
And they may not be many but nobody needs any more  
Of the many facts making the list of life

Truth takes the lead  
And to relax knowing the gist of life  
It's truth you need

Then the second is honor and happiness makes number three  
When you put them together you know what the last one must be  
Baby so truth, honor and happiness  
And one thing more  
Meaning love and that's the real score and more than enough when  
times are tough and poor  
They may not comprise a lot  
Still (you) only got those four  
And there ain't no more
