

Doubles

Miles Kane

Woke up in a dusty mood as I clear my head and wave my bed good
bye
But I'm feeling shy
Oh my brothers, I've done it again, I've wished it away before
it began
Oh why? Oh my

And I will wait down the line for you (for you-ooh)
And I will tell no lies as I stand alone, I'm waiting on for yo
u
Yes, I do, yes, I do, yes, I do
You know I do, you know I do, you know I do

Fear factors set in good style, and the cries I made as a chubb
y child
Are real, oh, they're so real
Sofa, daydream, time that rolls by, a catalyst for doubles and
red wine
I miss my two player high

And I will wait down the line for you (for you-ooh)
And I will tell no lies as I stand alone, I'm waiting on for yo
u
Yes, I do, yes, I do, yes, I do
You know I do, you know I do, you know I do

Never say never, never say never again
Never say never, I won't know where it ends
I'm never in doubt when my heart starts to fall
There's nothing in my life that I have wanted more, anymore
Anymore, anymore
Anymore, anymore

And I will wait down the line for you (for you-ooh)
And I will tell no lies as I stand alone, I'm waiting on for yo
u
Yes, I do, yes, I do, yes, I do
You know I do, you know I do, you know I do
