## **Miles Kane**

I wanna make your smoke and kisses, black and white Measure all your spinning whispers in the loose moonlight Magic from your fingers tingles down my spine Color in-between the lines

Let it out, let it out, let it all out
Let it out, let it out, let it all out
You rearrange my mind
You rearrange my mind

An uneasy feeling churns inside of me I'll draw it on a wall for you all to see Tryin' to find a diamond in an avalanche But you just haven't had the chance

Oh, let it out, let it out, let it all out
Let it out, let it out, let it all out
You rearrange my mind
You rearrange my mind

Let it out, let it out, let it all out
Let it out, let it out, let it all out
You rearrange my mind
You rearrange my mind
