

# Sunlight In The Shadows

Miles Kane

Come on

I got a bad mind  
To cross the line  
I got the will to win  
But I'm afraid to die, hey, now  
It's a cold load  
Everybody knows  
It's all I can do just to keep it on the road  
Somehow

Sunlight in the shadows  
It's been getting hard to find  
Nothing really matters  
When you crucify your mind

I'm a bad man  
If you say I am  
But I know nobody really gives a damn  
Alright  
I'm gonna stand tall  
Show you all  
You can mount my head  
Up on the wall tonight, tonight

Sunlight in the shadows  
It's been getting hard to find  
Nothing really matters  
When you crucify your mind

Hey, good looking  
Don't you stand there  
Looking that a way  
Call me crazy  
Girl, just maybe  
You'll be mine someday

Sunlight in the shadows  
It's been getting hard to find  
Nothing really matters  
When you crucify your mind

Sunlight in the shadows  
It's been getting hard to find  
Nothing really matters  
When you crucify your mind
