

# Angels Like You

Miley Cyrus

**F C Gm B**  
Mmm, mmm, mmm

**F C Gm**  
Flowers in hand, waiting for me  
**B F**  
Every word and poetry  
**C Gm**  
Won't call me by name, only baby  
**B Dm**  
The more that you give, the less that I need  
**C B**  
Everyone says I look happy  
**Bm**  
When it feels right

**F C**  
I know that you're wrong for me  
**Gm B**  
Gonna wish we never met on the day I leave  
**F C**  
I brought you down to your knees  
**Gm B**  
'Cause they say that misery loves company  
**F C**  
It's not your fault I ruin everything  
**Gm B**  
And it's not your fault I can't be what you need Baby,  
**Dm C B**  
angels like you can't fly down here with me  
**Bm F**  
I'm everything they said I would be  
**C Gm**  
La, la, la  
**B F**  
I'm everything they said I would be  
**C Gm**  
I'll put you down slow, love you goodbye  
**B F**  
Before you let go, just one more time  
**C Gm**  
Take off your clothes, pretend that it's fine  
**B Dm**  
A little more hurt won't kill you tonight  
**C B**  
Mother says you don't look happy  
**Bm**  
Close your eyes

I know that you're wrong for me  
Gonna wish we never met on the day I leave  
I brought you down to your knees  
Cause they say that misery loves company  
And it's not your fault I ruin everything  
And it's not your fault I can't be what you need  
Baby, angels like you can't fly down to hell with me  
I'm everything they said I would be

La la la, la la la la  
La la la

Oh-ah-ahh  
Ahh, ohh

I know that you're wrong for me  
Gonna wish we never met on the day I leave  
I brought you down to your knees  
'Cause they say that misery loves company  
And it's not your fault I ruin everything (Everything)  
And it's not your fault I can't be what you need  
Baby, angels like you can't fly down to hell with me, oh

Angels like you can't fly down to hell with me
