**D**  
But it burned too hot to survive  
**F** **C**  
All that's left is all these ashes

R: Where does the love go  
I don't know  
**D**  
When it's all set and done  
**F**  
How could I be losing you forever  
**C**  
After all the time we spent together

Like everything I'll Never find again

At the bottom of the ocean

2. In a dream you appear  
For awhile you were here so I keep sleeping  
Just to keep you with me  
I draw a map Connect the dots  
With all the memories that I got  
What I'm missing I'll keep reliving
