

# Butterfly Fly Away

Miley Cyrus

Intro: **Cadd9 Em7 Asus4 Em7**

**Cadd9** **Emi7**  
You tucked me in, turned out the light  
**Asus4** **Emi7**  
kept me safe and sound at night  
**Cadd9** **Emi7** **Asus4** **Emi7**  
Little girls depend on things like that

Brushed my teeth and combed my hair  
Had to drive me everywhere  
You were always there when I looked back

You had to do it all alone  
Make a living, make a home  
Must've been as hard as it could be

And when I couldn't sleep at night  
Scared things wouldn't turn out right  
You would hold my hand and sing to me

**G**  
Caterpillar in the tree  
**Cadd9**  
How you wonder who you'll be  
**Emi7** **Asus4** **D5** **Asus4** **Cadd9**  
Can't go far but you can always dream

Wish you may and wish you might  
Don't you worry, hold on tight  
I promise you there will come a day  
**Cadd9**  
Butterfly fly away
