

## Crazier

Miley Cyrus

I've never gone with the wind, just let it flow  
Let it take me where it wants to go  
Til you open the door, there's so much more  
I've never seen it before  
I was trying to fly but I couldn't find my wings  
But you came along and you changed everything

You lift my feet off the ground  
You spin me around  
You make me crazier, crazier  
Feels like I'm falling and I am lost in your eyes  
You make me crazier, crazier, crazier

I watched from a distance as you made life your own  
Every sky was your own kind of blue  
And I wanted to know how that would feel  
And you made it so real  
You showed me something that I couldn't see  
You opened my eyes and you made me believe

You lift my feet off the ground  
You spin me around  
You make me crazier, crazier  
Feels like I'm falling and I am lost in your eyes  
You make me crazier, crazier, crazier oh

Baby you showed me what livin' is for  
I don't wanna hide anymore

You lift my feet off the ground  
You spin me around  
You make me crazier, crazier  
Feels like I'm falling and I am lost in your eyes  
You make me crazier, crazier, crazier, crazier, crazier!
