Full Circle

Miley Cyrus

I've been in a rut
Back and forth enough
Heart like the wheel
Without you around
So uncomfortable is how it feels

Every time you're near
Trouble disappears
Under the ground
But when you go too far
Silver clouds will start hanging around

And I know why
Try to run
But I keep on
Coming back
Full circle
And I can't jump the track
Can't let you go

Tried to once
So I keep on
Coming back
Full circle
'Cause I know you'll come around
You'll come around

Skippin' down a broken path
How long can I last
Please let me know
Where's the finish line
'Cause I've got to find somewhere to go

I don't want to hear
These people interfere
What do they know
What I feel inside
When I'm up all night
Needing you oh…

I don't know why
Tried to run
But I keep on
Coming back
Full circle
And I can't jump the track
Can't let you go

Tried to once
So I keep on
Coming back
Full circle
'Cause I know you'll come around
You'll come around

'Cause I know you'll come around
You'll come around

I'll keep on runnin'
Til we meet in the middle
I'll push it right aside
And I give just a little
There's miles to go
But wait
Don't hold back
We'll make it

And I know why
Tried to run
But I keep on
Coming back
Full circle
And I can't jump the track
Can't let you go

Tried to once
So I keep on
Coming back
Full circle
'Cause I know you'll come around
You'll come around

I know you'll come around
You'll come around

Yeah I know you'll come around
You'll come around
