

# Hate Me

Miley Cyrus

Go ahead, you can say it's my fault  
If still hurts at all  
I thought one of these days you might call  
When you were feeling small

Drowning in my thoughts  
Staring at the clock  
And I know I'm not on your mind

I wonder what would happen if I die  
I hope all of my friends get drunk and high  
Would it be too hard to say goodbye?  
I hope that it's enough to make you cry  
Maybe that day you won't hate me

Go ahead you can say that I've changed  
Just say it to my face  
One drink and I'm back to that place (to that place)  
The memories won't fade (won't fade)

Drowning in my thoughts (my thoughts)  
Staring at the clock (the clock)  
And I know I'm not on your mind

I wonder what would happen if I die  
I hope all of my friends get drunk and high  
Would it be too hard to say goodbye?  
I hope that it's enough to make you cry  
Maybe that day you won't hate me

I wonder what would happen if I die  
I hope all of my friends get drunk and high  
Would it be too hard to say goodbye?  
I hope that it's enough to make you cry  
But maybe that day you won't hate me
