

I Learned from You

Miley Cyrus

Ooooo yeah
I didn't wanna listen to what you were sayin'
I thought that I knew all I need to know
I didn't realize that somewhere inside me
I knew you were right but I couldn't say so

I can take care of myself (yeah)
You taught me well

I learned from you that I do not crumble
I learned that strength is something you choose
All of the reasons to keep on believin'
There's no question that's a lesson
That I learned from you

We always don't agree on
What is the best way
To get to the place that we're going from here
But I can really trust you
And give you the distance
to make your decisions without any fear

I'm grateful for all of the times
You opened my eyes

I learned from you that I do not crumble
I learned that strength is something you choose
All of the reasons to keep on believin',
There's no question that's a lesson
I learned from you

You taught me to stand on my own
and I thank you for that
You saved me, you made me,
and now that I'm looking back
I can say (woooooahhhh)

Hmmmm... Yeah!

I learned from you that I do not crumble
I learned that strength is something you choose
All of the reasons to keep on believin',
There's no question that's a lesson
I learned from you

I learned from you that I do not crumble
I learned that strength is something you choose
All of the reasons to keep on believin',
There's no question that's a lesson
I learned from you
