

# Just Girl

Miley Cyrus

**G**  
1. Finally  
      **D**                  **Emi7**  
I've been waiting for this moment  
      **G**          **D**  
For you to see the real me  
      **G**                  **D**                  **Emi7**  
It's been an illusion but I never meant to fool you  
      **G**          **D**  
I got caught up in a fantasy

**G**  
R: I'm just a girl  
      **D**                  **Emi7**  
With a dream that got the best of me  
      **G**          **D**                  **Emi7**  
In a world that believes fame is everything  
      **G**                  **D**                  **Emi7**  
Got out of touch with the ones that gave me my wings  
**G**  **D**  
To fly, to fly

2. People say  
That the world is like a stage  
Yes I'm confused, the roles I play  
I've been away from home for so long  
That I, almost forgot where I belong

R: I'm just a girl...

**G**  
3. It's so easy to forget  
      **D**                  **Emi7**  
what really matters in this life  
      **G**  
It's so hard to live with regrets  
      **D**                  **Emi7**  
But I promise I will try  
      **G**  
To be a better me  
      **D**  
From now on, I'm sorry  
**G**                  **D**  
I didn't mean to do you wrong

R: I'm just a girl...

**G**  
You give me my wings  
      **D**  
so I can fly  
      **G**  **D**  
I can fly, yeah

**D**  
I'm just a girl
