

# Let's Dance

Miley Cyrus

**Emi**

1. The weekend's almost done

**Ami**

The moon is low in the sky

**B**

Feel like going out before the night passes by

**Emi**

I won't just sit around

**Ami**

**B**

When life becomes a drag I dance

**Em Am B**

2. I like the bass (turn it up, turn it up, turn it up)  
I like the boom (turn it up, turn it up, turn it up)  
I need guitar (turn it up, turn it up, turn it up)  
I like that drum when it goes boom, boom, boom

**Emi**

R: Let's dance

**Emi**

What the weekend, what the night is all about

**Ami**

Let's dance

**Ami**

Grab your girlfriends, grab your boyfriends, sweat it out

**B**

Let's dance (move your whole body, let's start the party)

**Emi**

To much rock for one girl can make her go crazy

I need someone to dance with me baby (dance)

3. The music's on (turn it up, turn it up, turn it up)  
My favorite song (turn it up, turn it up, turn it up)  
The beat is strong (turn it up, turn it up, turn it up)  
We'll dance (c'mon! ow!)

R: Let's dance...

**Em Am B Em**

4. When the night says "hello" yeah get ready to go  
Turn it up, turn it loose yeah you got no excuse

Just take a chance, get out on the floor  
and dance (let's dance)

R: Let's dance

What the weekend, what the night is all about

Let's dance

Grab your girlfriends, grab your boyfriends, sweat it out

Let's dance (let's dance, and let's start the party)

(dance with me, dance with me, dance with me, dance)

Let's dance

What the weekend, what the night is all about

Let's dance  
Grab your girlfriends, grab your boyfriends, sweat it out  
Let's dance (move your whole body, let's start the party)  
As soon as my album goes number one  
We'll be livin' like a roller to forty diamonds
