

# Make Some Noise

Miley Cyrus

It's easy to feel like  
You're all alone  
To feel like nobody knows  
The great that you are  
The good that's inside you  
Is trying so hard to break through

Maybe it's your time to lift off and fly  
You won't know if you never try  
I will be there with you all of the way  
You'll be fine

[Chorus]

Don't let anyone  
Tell you that you're not strong enough  
Don't give up  
There's nothing wrong with just being yourself  
That's more than enough  
So come on and raise your voice  
speak your mind and make some noise  
And sing  
Hey, hey  
Make some noise  
Hey, hey, yeah

You want to be known  
You want to be heard  
And know you are beautiful  
You have so much to give  
Some change you wanna live  
So shout it out and let it show

You have a diamond inside of your heart  
A light that shines bright as the stars  
Don't be afraid to be all that you are  
You'll be fine

[Chorus]

Don't let anyone  
Tell you that you're not strong enough  
Don't give up  
There's nothing wrong with just being yourself  
That's more than enough  
So come on and raise your voice  
speak your mind and make some noise  
And sing  
Hey, hey  
Make some noise  
Hey, hey, yeah

[Bridge]

You can't just sit back and watch the world change  
What matters is what you've got to say  
There's no one else who can stand in your place  
So come on it's never too late

Maybe it's your time to lift off and fly

You won't know if you never try

[Chorus]

Don't let anyone

Tell you that you're not strong enough

Don't give up

There's nothing wrong with just being yourself

That's more than enough

So come on and raise your voice

Speak your mind and make some noise

And sing

Hey, hey

Make some noise

Hey, hey, yeah

Hey, hey

(Make some noise)

Speak your mind and make some noise

And sing hey, yeah

Hey, yeah

Hey, yeah

Make some noise

Hey, yeah

Hey, yeah

Hey, yeah

Make some noise

Hey, yeah

Hey, yeah

Hey, yeah

Make some noise

Hey, yeah

Hey, yeah

Hey, yeah

Make some noise
