

Maybe It's

Miley Cyrus

They can't stop staring, they're looking so long
They can't stop playing this song, oh yeah
Don't hold back one side of you
Oh yeah, you know it's true

Take it all the way to the top
Give it everything that you got, yeah

Ooh, yeah, maybe
Maybe it's Maybelline
Maybe it's Maybelline
Ooh, yeah, maybe
Maybe it's Maybelline
Maybe it's Maybelline
Yeah, you feel so free
Yeah, you know that maybe, maybe
Maybe it's Maybelline
Maybe it's Maybelline

Maybe it's Maybelline
