

# Maybe You're Right

Miley Cyrus

Chapter one we started happy  
The second that you said you loved me  
Started questioning us  
Are we really in love?  
Trying to figure out chapter three  
But you're not giving me anything  
"This is what we are"  
Then I gotta move on  
You think this is everything  
But this is no book of love

You might think I'm crazy  
That I'm lost and foolish, leaving you behind  
Maybe you're right  
You might think I'm crazy  
That I'm lost and foolish, leaving you behind  
Maybe you're right  
Maybe you're right

Here comes the part of you and me  
Arguing about nothing  
You told me it's as good as it gets  
Yeah, I'm real emotional  
Blame it on your mental jokes  
How much did you think that I could take?  
So much for taking this too far  
You can blame me for who I am  
It's too late for us to try and be in love right now

You might think I'm crazy  
That I'm lost and foolish, leaving you behind  
Maybe you're right  
You might think I'm crazy  
That I'm lost and foolish, leaving you behind  
Maybe you're right  
Maybe you're right

Fill the pages now  
This chapter's done  
Moving on up and forward onto all that we'll become  
If you ever get to the place where the sun is shining everyday  
Then I'll be on your mind

You might think I'm crazy  
That I'm lost and foolish, leaving you behind  
Maybe you're right  
You might think I'm crazy  
That I'm lost and foolish, leaving you behind  
Maybe you're right  
Maybe you're right

Let me go to the top one more time
