

Mother's Daughter X Boys Don't Cry

Miley Cyrus

Hallelujah, I'm a freak, I'm a freak, hallelujah
Every day of the week, I'ma do ya like I want to
I'm a Nile crocodile, a piranha

Oh my God, she got the power
Oh, look at her, she got the power
So, so, so

Don't fuck with my freedom
I came up to get me some
I'm nasty, I'm evil
Must be something in the water or that I'm my mother's daughter
Don't fuck with my freedom
I came up to get me some
I'm nasty, I'm evil
Must be something in the water or that I'm my mother's daughter

So, back up, back up, back up, back up, boy, ooh
Back up, back up, back up, back up, boy, ooh

Hallelujah, I'm a witch, I'm a witch, hallelujah
Swish swish, I'm a three-point shooter, I blow through ya
Like a hot wind out in the bayou, yah

Oh my God, she got the power
Well, look at her, she got the power

Don't fuck with my freedom
I came up to get me some
I'm nasty, I'm evil
Must be something in the water or that I'm my mother's daughter
Don't fuck with my freedom
I came up to get me some
I'm nasty, I'm evil
Must be something in the water or that I'm my mother's daughter

So, back up, back up, back up, back up, boy, ooh
Back up, back up, back up, back up, boy, ooh
Back up, back up, back up, back up, boy, ooh
Back up, back up, back up, back up, boy, ooh

My mama always told me that I'd make it
That I'd make it, so I made it
I put my back into and my heart in it
So I did it, yeah, I did it
Anitta
Eae, Brasil?

Sometimes I call you when I can't sleep alone
Now you keep asking me what that means, oh no
In your feelings, I can feel it
You're in your feelings, you won't admit it but
That's why I push you away from me
'Cause I know, I know

It drives you crazy, try to tame me
But nobody's taking control all over me

Vambora, São Paulo

Ooh, baby, baby, you be talkin' tough
But your boys can't get enough
When the girls don't need your love
Who says boys don't cry?
Ooh, baby, baby, you just outta touch
'Cause your boys can't get enough
When the girls don't need your love
Who says boys don't cry?

Sometimes you call me when you're too drunk, oh God
Then you start telling me I'm the one, I'm not
In your feelings, I can feel it
You're in your feelings, you won't admit it but
I thought that we were just having fun
'Cause I know, I know

It drives you crazy, try to tame me
But nobody's taking control all over me

Ooh, baby, baby, you be talkin' tough
But your boys can't get enough
When the girls don't need your love
Who says boys don't cry?
Ooh, baby, baby, you just outta touch
'Cause your boys can't get enough
When the girls don't need your love
Who says boys don't cry?

Who says they don't cry?
Who says they don't cry?
Who says they don't cry?
Who says boys don't cry?
