

# Night Crawling

Miley Cyrus

Sometimes I'm good for nothing  
Sometimes the best you ever had  
Sometimes I need your lovin'  
Sometimes I stab you in the back

I found the meaning, just what I needed  
Cut off the bathroom wall  
In my reflection, cravin' attention under the disco ball

Night crawlin', sky fallin'  
Gotta listen when the devil's callin'  
Can't shake it, I'll taste it  
When it's yellin' out my name, I chase it  
Ooh-ooh, ooh-ooh  
Come on, come on  
Night crawlin'  
Ooh-ooh, ooh-ooh  
Come on, come on  
Night crawlin'

Sometimes my thoughts are violent (are violent)  
Sometimes they bring me to the light  
Sometimes I sit in silence (in silence)  
Sometimes I'm runnin' for my life

I found the meaning (I found the meaning), just what I needed (Just what I needed)  
Cut off the bathroom wall  
In my reflection, cravin' attention under the disco ball  
Yeah, yeah

Night crawlin', sky fallin'  
Gotta listen when the devil's callin'  
Can't shake it, I'll taste it  
When it's yellin' out my name, I chase it  
Ooh-ooh, ooh-ooh  
Come on, come on  
Night crawlin'  
Ooh-ooh, ooh-ooh  
Come on, come on  
Night crawlin'  
Come on

Night crawlin', sky fallin'  
Gotta listen when the devil's callin'  
Can't shake it, I'll taste it  
When it's yellin' out my name, I chase it  
Ooh-ooh, ooh-ooh  
Come on, come on  
Night crawlin'  
Ooh-ooh, ooh-ooh  
Come on, come on  
Night crawlin'  
Come on
