

How can I love someone I've never touched
You lived under the water but I love you so much
You've never been on land and you've never seen the sky
You don't know what a cloud is why did everything I loved have to die?
They all wanted to see you be as big as you could be
But I couldn't let that be
Thought keeping you small meant keeping you safe
If I could do it again I'd release you to sea
Cause I can't bear to see something so wild just die in a tank
And Pablow the Blowfish I miss you so much
And Pablow the Blowfish I miss you so bad
On Saturday night we all went out to eat
But I can never decide so someone chose sushi
I got soup and I ordered rice
But watching my friends eat my friend ruined my appetite
Oh Pablow the Blowfish if they only knew you like I do they'd love you too
And Pablow the Blowfish I miss you so bad
I won't forget even one second we had
Cause you might be gone but you could never be dead
I heard of a seahorse named Sadie
I heard that she was quite the lady
Maybe you'll find her and you could make babies
That would be kind of crazy
If Pablow the Blowfish found love deep in the sea
Then that would mean
Pablow the Blowfish was better off than here with me
Pablow the Blowfish I miss you so bad
