

Send It On

Miley Cyrus

A word is just a word
Til you mean what you say
And love isn't love
Til you give it away
We've all gotta give
Yeah something to give
To make a change

Send it on, on and on
Just one hand can heal another
Be apart
Reach your heart
Just one spark starts the fire
With one little action
The chain reaction will never stop
Make it strong shine a light and send it on

Just smile and the world
Will smile along with you
That small act of love
That's meant for one will become two
If we take the chances
To change circumstances
Imagine all we can do if we...

Send it on, on and on
Just one that can heal another
Be apart
Reach your heart
Just one spark starts the fire
With one little action
The chain reaction will never stop
Make it strong, shine a light and send it on

Send it on...
There's power in all of the choices we make
So I'm starting now there's not a moment to waste

A words just a word
Til you mean what you say
And love isn't love
Til you give it away

Send it on, on and on
Just one that can heal another
Be apart
Reach your heart
Just one spark starts the fire
With one little action
The chain reaction will never stop
Make it strong shine a light and send it on

Send it on, on and on
Just one that can heal another
Be apart
Reach your heart
Just one spark starts the fire

With one little action
The chain reaction will never stop
Make us strong shine a light and send it on
Shine a light and send it on
Shine a light and send it on
