Stay

Miley Cyrus

Well it's good to hear your voice I hope you're doing fine And if you ever wonder I'm lonely here tonight Lost here in this moment Time keeps slipping by If I could have just one wish I'd have you by my side Oooohh I miss you Oooohh I need you And I love you more than I did before And if today I don't see your face Nothing's changed, no one can take your place It gets harder everyday Say you love me more than you did before And I'm sorry it's this way But I'm coming home, I'll be coming home And if you ask me I will stay, I will stay Well I tried to live without you But tears fall from my eyes I'm alone and I feel empty I'm torn apart inside I look up at the starts Hoping you are doing the same And somehow I feel closer And I can hear you say Oooohh I miss you Oooohh I need you And I love you more than I did before And if today I don't see your face Nothing's changed, no one can take your place It gets harder everyday Say you love me more than you did before And I'm sorry it's this way But I'm coming home, I'll be coming home And if you ask me I will stay, I will stay, always stay I never wanna lose you And if I had to I would choose you So stay, please always stay You're the one that I hold on to My heart would stop without you I love you more than I did before And if today I don't see your face Nothing's changed, no one can take your place It gets harder everyday Say you love me more than you did before And I'm sorry that it's this way But I'm coming home, I'll be coming home And if you ask me I will stay, I will stay, I'll always stay And I love you more than I did before

And I'm sorry that it's this way

But I'm coming home, I'll be coming home
