

# Lemonade

Mili

Sparkling leftover lemonade you'll never touch  
Tripped over my knock-off iittala cup

Lemonade  
It spills all over (over and over)  
Over (over and over)  
Over  
No matter how much I clean it up  
Over (over and over)  
Over (over and over)  
Over  
Lemonade sinks into the floor  
Over (over and over)  
Over (over and over)  
Over  
No matter how much I lick it off  
Over (over and over)  
Over (over and over)  
Over and over and over and over

You said I make the best lemonade in the world  
A little bitter, a little sweet, a little sour  
Now that you're gone so much lemonade gets left over  
Waiting to be drank  
I wish that person could be you

Lemonade  
It spills all over (over and over)  
Over (over and over)  
Over  
No matter how much I want you back  
Over (over and over)  
Over (over and over)  
Over  
Lemonade stains my pillowcase  
Over (over and over)  
Over (over and over)  
Over  
No matter how much I wipe it off  
Over (over and over)  
Over (over and over)  
Over and over and over and over  
Over  
And over  
Over and over  
And over  
And over

Sparkling leftover lemonade you'll never touch  
Tripped over my knock-off iittala cup  
Lemonade  
It spills all over  
And over  
All over  
And over
