

## Painful Death For The Lactose Intolerant

Mili

Pick up a straw, wash down all your filth  
Take a sip of my heavenly milk  
Cleanse up your body, cleanse up your soul  
All you need is Twin Island's Milk

Perfect life for you and I  
People who's trying to get by  
Painful death for the lactose intolerant  
For you there is no lament

Bad chromosomes or sad broken toes  
Cure it up with my heavenly milk  
Sold your properties to the devil  
All you need is Twin Island's Milk

Lovely life for you and I  
People who's fighting till midnight  
Painful death for the lactose intolerant  
Begin the revolution

La-la-la-la-la-la-la, la-la-la-la-la-la-la  
La-la, la-la-la  
La, la-la-la-la-la-la-la, la-la-la-la-la-la-la  
La-la, la-la-la

Plotting against the government and your foes  
Build your bones with my heavenly milk  
Wanna be princess but you're a toad  
All you need is Twin Island's Milk

Endless life for you and I  
People who stick to each other's sides  
Painful death for the lactose intolerant  
Struggle till your last moment
