

# Skin-Deep Comedy

Mili

Silken white lacy dress  
The bird's chirps soundless  
This day should be for me  
Yeah, this day should be for me  
You said that it's still not too late to be forgiven  
Can you tell me when I asked for your pardon?

Lu-la, li-lu-la, lu-lu-la  
Lu-la, ta-li-lu, li-lu-la

Thousand dreams  
Lotus boats upon the waters  
Hope they go to somebody kind and sweet  
As I sat under the bridge  
From a distance  
Picturing us as family  
Hundred letters  
Tiny wings made out of paper  
Hope they go to somebody who would love me  
I waited in the dark  
As I listened to your footsteps  
Happy when you were near

Look at me  
I'm the wound you tried to hide  
Simply by pretending that I don't really hurt  
"If we just leave it be, she'll be gone eventually"  
Here I am, swollen red  
When are you going to take off the cast  
Pierce through the skin  
Drain out the possibilities that could have been mine

Tu-la-li, ta-ta, la-lu-li, tah-ra, li-lu-li, la-la  
Hr'estella, Layla  
Tu-la-li Langela, lu-li-li Kousca  
Nyaabi, Lushva trheyha  
Mari, Sarha, Lilith, Eva  
Nestella, Louisa, Flora, Barhba  
Kristalle, Fortune, Zara  
Aeterre mementa

Endless stars  
I shall take on your desires  
For they needed somebody to complete  
I kissed you on the cheeks  
And the pigment flaked off  
Nothing some magic cannot fix  
Nothing I cannot fix  
(Fix fix fix fix)  
Doesn't matter  
(Fix fix fix fix fix)  
How much you deem me worthless  
I can fix it all  
(Fix fix fix fix fix fix)

Would you say it's meaningless?  
For me to change

For me to strive to be a better me  
Are these my everything?  
Are these my everything?  
The rivers in red that flow  
Throughout my past  
Throughout my future to come  
The blood given to me by your choices  
Am I your anything?  
Am I your anything?  
Guess I'll never know

Look at me  
I'm the wound you tried to hide  
Simply by pretending that I don't really hurt  
"If we just leave it be, she'll be gone eventually"  
Here I am, swollen red  
When are you going to take off the cast?  
Pierce through the skin  
Drain out comedic endings that could have been
