

Closer

Milk Inc.

I Can Tell By The Things You Do
There's A Wall Between Me And You
I Can Tell By The Things You Said
All The Thoughts Running Through
Your Head

There's A Lie Hidden In Your Smile
It's Been Going On For Quite A While
I Can Tell By The Things You Said
All The Thoughts Running Through
Your Head

Closer To Me
I hope Our Love Will Find A Way
Closer To Me
Tell Me Why Can't We Try
Is It So Hard To Come Closer
