

I JUST DIED IN YOUR ARMS TONIGHT

Milk Inc.

I, I just died in your arms tonight
It must have been something you said
I just died in your arms tonight

(Verse)

I keep looking for something I can't get
Broken hearts lie all around me
And I don't see an easy way to get out of this
Her diary sits by the bedside table
The curtains are closed, the cats in the cradle
Who would've thought that a girl like me could come to this

(Chorus)

Oh I, I just died in your arms tonight
It must've been something you said
I just died in your arms tonight
Oh I, I just died in your arms tonight
It must've been some kind of kiss
I should've walked away
I should've walked away

(Verse)

Is there any just cause for feeling like this?
On the surface I'm a name on a list
I try to be discreet, but then blow it again
I've lost and found, it's my final mistake
She's loving by proxy, no give and all take
'cos I've been thrilled to fantasy one too many times

(Chorus)

Oh I, I just died in your arms tonight
It must've been something you said
I just died in your arms tonight
Oh I, I just died in your arms tonight
It must've been some kind of kiss
I should've walked away
I should've walked away

(Bridge)

It was a long hot night
He made it easy, he made it feel right
But now it's over the moment has gone
I followed my hands not my head, I knew I was wrong

(Chorus)

I, I just died in your arms tonight
It must've been something you said
I just died in your arms tonight
Oh I, I just died in your arms tonight
It must've been some kind of kiss
I should've walked away
I should've walked away
