

Shine On

Milk Inc.

Out Of Sight
change Of Heart
Looking For A Brand New Start
Moving On
Or Standing Still
I've Got Too Much Time To Kill

When This Day Has Passed
It Makes Way For The Night
Don't Let It Get Too Dark
It'll Be Alright

I'll Shine On
Bright As The Sun

I Won't Fade Away Like Yesterday
I'll Keep Shining On
When Daylight Has Gone

Out Of Reach
Gone Too Far
A Broken String On My Guitar
Lesson Taught
Or Lesson Learned
When Another Page Is Turned

When This Day Has Passed
It Makes Way For The Night
Don't Let It Get Too Dark
It'll Be Alright

I'll Shine On
Bright As The Sun

I Won't Fade Away Like Yesterday
I'll Keep Shining On
When Daylight Has Gone
