

Touch Me

Milk Inc.

You will always be my baby
I'm always thinkin' of you baby
Yeah

Touch me in the mornin'
And last thing at night
Keep my body warm baby
You know it feels right
Take a little higher
I'm takin' it too
Tell me what you're feeling
I'll feel it with you

We can only understand what we are shown
How was I supposed to know our love would grow?

Move a little closer
Make sure I'm lookin' up
Heal me with your loving
I need you so much
I need you so much
I need you so much

You touch my mind in special places
My heart races with you
I'll take your love and I'll take my chances
I'll take them with you

We can only understand what we are shown
How was I supposed to know our love would grow?

You touch my mind in special places
My heart races with you
