

## A Whole Lot Less

Millencolin

I spend my time thinking about you and I know,  
I should think less.  
Im caring about you girl,  
I care a whole lot less.  
I give my self to you and now im so less.  
Im always thinking about you yeah.

I think a whole lot less,  
a whole lot less,  
a whole lot less,  
a whole lot less.

1, 2, 3, 4

I spend my time thinking about you and I know,  
I should think less.  
Im caring about you girl,  
I care a whole lot less.  
I give my self to you and now im so less.  
Im always thinking about you yeah.

I think a whole lot less,  
a whole lot less,  
a whole lot less,  
a whole lot less.
