

Man or Mouse

Millencolin

Yeah, yeah, yeah...
I hate myself when going
Yeah, yeah, yeah

Hear me I sound like a Beatle
I get cold feet when the pressure is on
You can't see me coz I'm lost like a needle
In a haystack yeah I'm almost gone
Like a mouse follows the flute
Or like a mute who can't dispute I fall in line with you

Mouse more than Man, yes I am
You know I wanna say no and just stick to my own plan
Mouse more than Man, yes I am
Coz yet I go with the flow
See me as a chameleon, a cheap shot
I change my cast for anybody's best
But I'm not free I feel more like a robot
That is programmed to please the rest
So whatever you want I'll do
Whenever you want me to I will agree with you

Mouse more than Man, yes I am
You know I wanna say no and just stick to my own plan
Mouse more than Man, yes I am
Coz yet I go with the flow
Yeah, yeah, yeah...
I hate myself when going
Yeah, yeah, yeah
No more sound like a Beatle
Those cold feet are for yesterday
No more getting the needle
I cannot care about what others say

Mouse more than Man, yes I am
You know I wanna say no and just stick to my own plan
Mouse more than Man, yes I am
Coz yet i go with the flow before the shit hits the fan
Yeah, yeah, yeah...
This is my last time going
Yeah, yeah, yeah...
