Millionaires

Ohhhhh  
Keep it poppin'

It's time to do my dougie, Friday night  
Me and my girls gettin' faded, right?  
Fuck it, I won't lie  
I kinda wanna get laid tonight  
Chin-chillin' at the bar  
See-through top with a neon bra  
Grillin', Mr. Right  
Cute guy over there with the 'fuck me' eyes

Hey dirty boy you're lookin' hot hot hot  
Let's take a ride, I'll take the top top top  
Push up on me, I wanna touch your  
It's hot and heavy, let the beat just drop

Ohhhhh  
Keep it poppin'  
Ohhhhh

I'm kinda drunk and I think you're hella tight  
Hey baby won't you take me home tonight  
I'm not in love but I'm crazy sexy wild  
I like it when you're giving me them 'fuck me' eyes
