## Microphone

## **Millionaires**

```
I scream your name
As you sing
What you do
I fall for you
I sing along
To all your songs
You on stage
Let's engage
You know I love it
Now I gotta touch it
You know how much I love it
Now I really want to touch it, so ...
After the show
No one will ever know
I want to touch your microphone
Now that we're all alone
No one will ever know
I wanna touch your microphone
Check check check 1 2
Check check check 3 4
Check check check 1 2
Tell me that you want me more
Hold me tight
Just for one night
Don't take it slow
I won't say no
Sing in my ear
Your song I hear
I feel my fingers
Getting near
You know I love it
Now I gotta touch it
You know how much I love it
Now I really want to touch it, so ...
After the show
No one will ever know
I want to touch your microphone
Now that we're all alone
No one will ever know
I wanna touch your microphone
Check check check 1 2
Check check check 3 4
Check check 1 2
Tell me that you want me more
