

# When I'm Single

Millionaires

I'm back again, wasted, won't pretend!  
Ruin your life, ex-girlfriend!  
Ha! I'll hit it again  
Suckin' on my middle finger  
Moustache right  
(Mr. Pringles!)  
If you think I'm a slut... NOW  
You should see me when I'm single!  
You should see me when I'm single!  
Single-Single-Single-Sin-Sin-

You should see me when I'm single!  
(What?)  
You should see me when I'm single!  
(What?)

You drink, I'm sippin'  
Got paper[?] I'm lickin'  
Pretty girls get shit for free!  
Ain't even trippin'  
Suckin' on my middle finger  
Moustache right  
(Mr. Pringles!)  
If you think I'm a slut... NOW  
You should see me when I'm single!  
You should see me when I'm single!  
Single-Single-Single-Sin-Sin-

You should see me when I'm single!  
(What?)  
You should see me when I'm single!  
(What?)

You said it, I'm a hoe!  
I never say "No"

You should see me when I'm single!  
(What?)  
You should see me when I'm single!  
(What?)

You said it, I'm a hoe!  
(Say I'm the rude one)  
I never say "No"  
(IDGAF)  
You said it, I'm a hoe!  
I never say "No"  
Millionaires, Wade Martin  
This song gon' sound sick on their headphones too  
Has anyone seen my boyfriend?
