

## #YourGirlDoesParty (Outro)

Millionaires

Hello  
Hey, I just woke up  
Where the fuck were you last night  
I'm sorry  
Like what the fuck  
Why didn't you call me like you said seriously  
Jesus, I don't get why you are so mad  
I can't believe this is still happening  
You always do this to me, fuck  
Your girl does party
