Afraid of Everything

Milo Greene

```
Oh I know I can't decide
Anything at all for fright
I could barely breathe
At the sound of your voice
I could never run that fast
I could never see how
You called it a choice
When you left me none

I,
I'm afraid of everything
I'm afraid of everything
I'm not afraid of you
And time,
It changes everything
It changes everything
And so I wait for you

Hold my tongue
And brace my eyes
Must have left you back
Some years in time
I could barely breathe
At the sound of your voice
I could never run that fast
I could never see how
You called it a choice
When you left me none

I,
I'm afraid of everything
I'm afraid of everything
I'm not afraid of you
And time,
It changes everything
It changes everything
And so I wait for you

I'm afraid of everything
I'm afraid of everything
I'm not afraid of you
And time,
It changes everything
It changes everything
And so I wait for you
