

Keep My Head

Milo Greene

Wanted
To be loved
By you
Ohhh
Wanted
To be all
You knew
But it sounds
So foolish
Out loud
Cause I'm just
No good
Deep down
And I can't
Keep my head
When you're around

Haunted
By the way
You move
Ohhh
Want ya
In ways
So vicious
But true
But I can't
Keep my head
When you're around
No I can't
Keep my head
When you're around

Wanted
To be loved
By you
Ohhh
Wanted
To be all
You knew
But I can't
Keep my head
When you're around
No I can't
Keep my head
When you're around
