

## re: animist

Milo

Reading Nausea in an orange tent  
Make mental note "first time feeling a foreign sense"  
I'm going to ask my heroes about their debts today  
And which ones exactly they've left unpaid

This is a diagram about that one time  
This is a diagram about that one time

Reading Nausea in a tent with a girl named Sasha and I'm bent  
You should ask your nigga about his debts  
Reading Nausea in a tent with a girl named Sasha and I'm bent

Repeated listens of Mike Ladd's Nostalgialator  
Coincide with preference to have been born nower than later  
It's the lesser, not the greater, that savors any type of power  
Dumb niggas forgot their mathematics  
Weak rappers are asthmatics  
Bumpkin savages rap on vocal tracks  
Peace

But it's back to the metaphysics  
Flash half a rhythm  
And decapitate a Metacritic God  
But it's back to the metaphysics  
Flash half a rhythm  
And decapitate a Metacritic God

Showboat rappers get stood up in their studio  
I heard Wal-Mart signed Jason Derulo  
Then dropped him cause he couldn't sell crew socks  
And refused to adopt the umlaut  
That's when I flashed an odd smile  
And said I only wear argyle  
Playing Pile in a smart car  
Dummy thinks he's artsy  
I only wear chartreuse when I'm boxing  
Noble hawk-eye, but mumble like I'm pea-brained  
Usually identified by the ghee stain  
Moved to California just to mispronounce the weed strains  
Stupid

(How did that one sound?)
