

Staring at the wall of your apartment  
Sitting there wondering where your heart went  
You can call me up, call me up  
I think I'm feeling what you're going through now  
There's only one thing you've got to do now  
Just call me up like I call you up

I'll be there as soon as humanly possible  
I'll be there as soon as possible

365, eight days a week  
24/7 you can count on me  
Count on me, count on me  
I won't keep you waiting  
365, got TLC  
When you need somebody  
And you're in too deep  
Count on me, count on me  
I'll be there A-S-A-P  
I'll be there A-S-A-P

You know I got my demons and my doubts too  
Wouldn't get very far without you  
I call you up, I call you up  
After everything that we've been through  
You and I we're gonna handle this too  
Just call me up like I call you up

I'll be there as soon as humanly possible  
I'll be there as soon as possible

365, eight days a week  
24/7 you can count on me  
Count on me, count on me  
I won't keep you waiting  
365, got TLC  
When you need somebody  
And you're in too deep  
Count on me, count on me  
I'll be there A-S-A-P  
I'll be there A-S-A-P

You can count on me, on me  
I'll be there A-S-A-P  
You can count on me, on me  
I'll be there A-S-A-P  
You can count on me, on me  
I'll be there A-S-A-P  
You can count on me, on me  
I'll be there A-S-A-P  
You count on

365, eight days a week

Count on me, count on me  
I won't keep you waiting
