

Help

Milow

White walls and missed calls
Snow falls but I didn't see it coming my way
Nose-dives from high skies
All my life I left so many things unsaid

And the hardest part
I never said I loved you
Now it's too late
And I'm thinking to myself this can't be true
I'm missing you

Someone help me I'm giving up
Since you're gone
Every song, it don't sound the same
I'm at the bottom and looking up
When you lose, pay your dues
It's a cruel game
Suddenly I'm here gotta start again
Every piece of me don't want it to end
Someone help me I'm giving up
Someone help me to be myself again

Old clothes and shadows
I can't let go
This feeling's just a little too real
Stranger in the mirror looking back at me
And I barely recognize myself

And the hardest part
I never said I loved you
Now it's too late
And I'm thinking to myself this can't be true
Oh, I'm missing you

Someone help me I'm giving up
Since you're gone
Every song, it don't sound the same
I'm at the bottom and looking up
When you lose, pay your dues
It's a cruel game
Suddenly I'm here gotta start again
Every piece of me don't want it to end
Someone help me I'm giving up
Someone help me to be myself

Oh, help me to be myself again
Oh, help be myself again

White walls and missed calls
Snow falls but I didn't see it coming my way

Someone help me I'm giving up
Since you're gone
Every song, it don't sound the same
I'm at the bottom and looking up
When you lose, pay your dues
It's a cruel game

Suddenly I'm here gotta start again
Every piece of me don't want it to end
Someone help me I'm giving up
Someone help me to be myself again

To be myself again
To be myself again
Someone help me to be myself again
