

Back Home For Christmas

Mimi Webb

Just like that, first of December
Countin' down 'til we're together
Only one thing on my wish list
Bring my love back home for Christmas

So long, waited for so long
For the Christmas tree
And you next to me
With you gone, baby, with you gone
All this warm red wine just makes me cry

And all of the nights are changin'
And days gone so fast 'cause

Just like that, first of December
Countin' down till we're together
Only one thing on my wish list
Bring my love back home for Christmas
Mistletoe makin' me lonely
Santa Claus just can't console me
Only one thing that I'm missin'
Bring my love back home for Christmas

Yeah
Ooh, yeah
Ooh, yeah
Bring my love back home for Christmas

Last year, said it would be the last year
Of all these gifts and nobody to share them with
Back here, I just want you back here
Before the big night comes
Don't want a Christmas Eve for one

All of the nights are changin'
And days gone so fast 'cause

Just like that, first of December
Countin' down till we're together
Only one thing on my wish list
Bring my love back home for Christmas
Mistletoe makin' me lonely
Santa Claus just can't console me
Only one thing that I'm missin'
Bring my love back home for Christmas

Yeah
Ooh, yeah
Ooh, yeah
Bring my love back home for Christmas

Just like that, first of December
Countin' down till we're together
Only one thing on my wish list
Bring my love back home for Christmas
Mistletoe makin' me lonely
Santa Claus just can't console me

Only one thing that I'm missin'
Bring my love back home for Christmas

Yeah
Ooh, yeah
Ooh, yeah
Bring my love back home for Christmas
