

Ev'ry night I'm there  
I'm always there she knows I'm there  
And heaven knows I hope she goes  
I find it hard to realize that love was in her eyes  
It's dying now, she knows I'm crying now  
And ev'ry night I'm there I break my heart to please  
Eloise, Eloise  
You know I'm on my knees - yeah  
I said please  
You're all I want so hear my prayer

My Eloise is like the stars that please the night  
The sun that makes the day, that lights the way  
And when that star goes by  
I'll hold it in my hands and cry  
Her love is mine, my sun will shine  
And ev'ry night I'm there I break my heart to please  
Eloise, Eloise  
You know I'm on my knees - yeah  
I said please  
You're all I want so hear my prayer

My Eloise, I'd love to please her  
I'd love to care but she's not there  
And when I find you, I'd be so kind  
You'd want to stay, I know you'd stay

And as the days grow old, the nights grow cold  
I wanna hold her near to me, I know she's dear to me  
And only time can tell and take away this lonely hell  
I'm on my knees to Eloise  
And ev'ry night I'm there I break my heart to please  
Eloise, Eloise

You know I'm on my knees - yeah  
I said please  
You're all I want so hear my prayer  
You know I'm on my knees
