

# It's Your Move

Mina

I don't understand it  
'Cause you won't say yes  
But you don't say no

You say you know we shouldn't  
You keep holding out  
But you don't let go  
I'm giving up on trying  
To sell you things  
That you ain't buying

It's your move  
I've made up my mind  
Time is running out  
Make a move  
Oh, we can go on  
Do you understand  
It's all in your hands  
It's your move

You're giving me the business  
With what old come-on  
But you don't come across  
You get me so excited  
Don't you know you're such a tease  
When I think you're getting hot  
You're not

So what's the problem  
What's wrong  
This kiss and miss  
You know it can't go on

It's your move  
I've made up my mind  
Time is running out  
Make a move  
'Cause we can't go on  
I want you to know  
It's your move  
Your turn to go

I'm giving up on trying  
To sell you things you ain't buying

It's your move  
I've made up my mind  
Time is running out  
Make a move  
Oh, we can't go on  
Do you understand  
It's all in your hands

It's your move  
I've made up my mind  
Time is running out  
Make a move

Oh, we can't go on  
Do you understand  
It's all in your hand

It's your move  
I've made up my mind  
Time is running out  
Make a move  
Oh, we can't go on  
Do you understand  
It's all in your hands

It's your move  
I've made up my mind  
Time is running out
