Don't go changing, to try and please me, You never let me down before, Don't imagine, you're too familiar, And I don't see you anymore.

I would not leave you, in times of trouble, We never could have come this far, I took the good times, I'll take the bad times, I'll take you just the way you are.

Don't go trying, some new fashion, Don't change the colour of y our hair, You always have my, unspoken passion, Although I might not seem to care.

I don't want clever, conversation, I never want to work that ha rd, I just want someone, that I can talk to, I want you just the way you are.

I need to know that you will always be The same old someone that I knew, What will it take till you believe in me, The way that I believe in you?

I said I love you, and that's forever, And this I promise from the heart, I couldn't love you, any better, I love you just the way you are.

I don't want clever, conversation, I never want to work that ha rd, I just want someone, that I can talk to, I want you just the way you are.
