Only You

Mina

Only you
Can make this world seem right
Only you
Can make the darkness bright
Only you and you alone
Can thrill me like you do
And fill my heart
With love for only you

Baby, only you
Can make this change in me
For its true
You're my destiny
And when you hold
My hand I understand
The magic that you do
You're my dream come true
My one and only you

Only you
Can make this change in me
Baby, it's so true
You are my destiny
When you hold my hand, I understand
The magic that you do
Baby you my dream
Come true and my one
And only you
