

Passion Flower

Mina

Passion flower of my heart
I love you only you
Passion flower of my dreams
Say that you love me too

I hear your name
My heart's a flame
I go insane
And you're to blame

Passion flower can't you see
You were meant just for me
Passion flower please be fair
Let your lips show you care
Passion flower take a chance
Come with me find romance

I hear your name
My heart's a flame
I go insane
And you're to blame
Passion flower hear me please
And surrender to me

I hear your name
My heart's a flame
I go insane
And you're to blame
Passion flower hear me please
And surrender to me
