## Mindless Self Indulgence

Anti-drugsters be sucking up to homies acting belligerent  
Shootout over tickets for me  
Injure to the fuckups  
Porno-ography makes me go hyper  
From internet to peepshow  
I will never find our freakin' diapers

Let's go to the mall  
Pick up some kids  
Spread some diseases  
'Cause I got the balls  
All of them knew.  
Most people with nuts  
Don't know how to squeeze them

I hate metal, I know better  
I take chances, I know better  
I lose money, I know better  
I'm so screwed 'cause I'm no better

Adios amigos, no estas usted  
Adios amigos, no es bueno

Don't they Don't they teach you sucka  
Your pants on fire  
I'm a little bit more perfect than you ever will  
Never retire  
But you sample every music  
Then you added nothing, nothing to it  
(now I do it too)  
And now we all will have to suffer through it

Let's go to the mall  
Pick up some kids  
Spread some diseases  
'Cause I got the balls  
All of them knew.  
Most people with nuts  
Don't know how to squeeze them

I hate metal, I know better  
I take chances, I know better  
I lose money, I know better  
I'm so screwed 'cause I'm no better

Adios amigos, no estas usted  
Adios amigos, no es bueno

Don't call me Daddy  
Don't call me Daddy

Let's go the mall  
Pick up some kids  
Spread some diseases  
'Cause I got the balls  
All of them knew.  
Most people with nuts

Don't know how to squeeze them

I hate metal, I know better  
I take chances, I know better  
I lose money, I know better  
I'm so screwed 'cause...

Don't call me Daddy  
Don't call me Daddy

Adios amigos, no estas usted  
Adios amigos, no es bueno
