

## Ala Mode

## Mindless Self Indulgence

I like my girls like my women  
And my women like my girls  
With ice cream on their ass  
And my dick in their world  
I ain't no fucking around  
I'm serious as school teachers  
I got 31 flavors to make you a believer baby

Want it! Need it!  
A La Mode  
Serve that shit  
Fucking co-oh-oh-old  
I can't stand it when it's all alone  
Cuz everything is better when it's A La Mode

(Woah-oh-oh-oh)

When you gang bang  
And take money from banks  
You only have yourself  
and your fucking guns to thank  
And when you're popped locked stopped  
And arrested by the cops  
You can make it fucking better  
with some ice cream on the top now baby

Want it! Need it!  
A La Mode  
Serve that shit  
Fucking co-oh-oh-old  
I can't stand it when it's all alone  
Cuz everything is better when it's A La Mode

(Woah-oh-oh-oh)

Coffee, candy, pistachio nut, burgundy, cherry, butterscoth  
Chocolate chip, lemon crisp, french vanilla with a peppermint twist

You're going to jail? (Ice cream will fix it!)  
You don't have a life? (Ice cream will fix it!)  
You make bad decisions? (Ice cream will fix it!)  
You don't have a job? (Ice cream will fix it!)  
You can't find love? (Ice cream will fix it!)  
You're a failure? (Ice cream will fix it!)  
Everyone hates you? (Ice cream will fix it!)  
Everyone hates you!

(I want sprinkles on that shit)

Want it! Need it!  
A La Mode  
Serve that shit  
Fucking co-oh-oh-old  
I can't stand it when it's all alone  
Cuz everything is better when it's A La Mode
