

# Capitol P

## Mindless Self Indulgence

I don't want to be the one  
Who's stuck with me when I whip my meat out  
Trapped in the room when I start to beat it  
I don't want to be the one  
Who's touching me when I whip my meat out  
Juggling my balls and I start to get a beat down

Perverted  
With a Capitol P  
Converted  
Into what you see  
Inserted  
Deep inside of me  
Deserted  
It won't happen to me, happen to me  
No it will not Happen to me

You Know I'm really horny really horny wont stop  
You know I'm really horny yo I'm really horny, yo I'm really Horny  
You Know I'm really horny really horny wont stop  
You know I'm really horny yo I'm really horny, yo I'm really Horny

I don't want to be the one  
Who's stuck with me when I whip my meat out  
Trapped in the room when I start to beat it  
I don't want to be the one  
Who's touching me when I whip my meat out  
Juggling my balls and I start to get a beat down

Per-per-per-perverted  
So so so so so with it
