Mindless Self Indulgence

Let me introduce myself
let me introduce my bad self
hundred beats per minute baby
don't mean shit to me - to me
this ain't no blast - this ain't no blast - this ain't no blast
from the past
future - oh oh - this ain't no blast from the past
future - no future - your future
my dick's the bomb - baby
future - your future - your future
this ain't no minute for me
