

Golden I

Mindless Self Indulgence

Yo - I be that golden I
you watch me burning deep inside of you
I be that golden I
now I rock steady but it don't mean nothing cause
I ain't shit - yo and that's ok cause
I wrote the note so you can watch me hang myself - say
I be the cock in a jungle coming for you baby
I be the cock in a jungle burning
I'd meet a good girl but I'd make a terrible boy
I'd meet a good boy but I'd make a terrible girl
I'd meet a good boy - good girl - terrible girl
terrible girl - terrible girl
I be that golden I
and now me burning deep inside of you
I be that golden I
and now I rock steady cause I don't know nothing but
I ain't shit - yo and that's ok cause
I wrote the note so you can watch me hang myself - say
